How to Treat a Wife.

From Pacific Health Journal: First, get a wife; second be patient, You may have great trials and perplexities in your business, but do not therefore, carry to your home a cloudy or contracted brow. Your wife may have trials, which, though of less magnitude, may be hard for her to bear. A kind word, a tender look, will do wonders in chasing from her brow all clouds of gloom.—To this we would add always keep, a bottle of Chamberiain's Cough Romedy in the house. It is the best and is sure to be needed sooner or later. Your wife will then know that you resily care for her and wish to protect her health.

Politics was "the only thing" in Moundsville on Saturday. The Republicans, Prohibitionists, Democrats and Populists were massed at different points. Interest in the political line has been on the drag in Marshall some time, but a revival has taken place in all the parties and candidates are lo ing up for the county offices. week only remains for the Republicans who intend to "stick" through the entire fight to get around and decide whether they will put up the necessary collateral that will place them in the race. It is predicted that not half of the candidates now out will stick.

The Republicans assembled in the several districts in the county on Saturday and elected delegates to the district conventions in Clarksburg. The only obtainable report was from the meeting in Washington district. W. N. Riggs was made chalrman and T. C. Stilwell secretary. The delegates elected are: J. D. Burley, T. C. Stilwell, J. A. Manning, John Berry and Charles Flood. Each delegate is empowered to select an alternate. It was made an

the country or on the hill where they could get all the brease that was going. At Wheeling park the Opera House orchestra rendered a fine programme, which was listened to with a great deal of pleasure by the large crowd. The extension of the motor line back to the Casino and the work as far as it has progressed on the proposed new lake, attracted the attention of all the visitors. Work on both of these improvements is progressing finely and it is thought the motors will be running back to the casino in about ten days. At Mogart park Meisser's band entertained the many visitors with a splendid concert, and the day was passed on the hill top in a pleasant manner. No matter how warm the weather is in the city there is always a nice refreshing and cool breeze at Mozag park that is alone worth the trip up the inciline.

A Bad Pavement.

The pavement in front of the Musee bowling alleys is in a bad condition. Yesterday afternoon an old lady fell and sprained her ankle as a result of stepping in one of the numerous holes in the middle of the sidewalk. The authorities should see that the owners of the building be compelled to repair the pavement before a serious damage suit is brought against the city.
